Thanks. Good contact, I'll call him when I get back.
Isn't the BID dumpster in back of Mark's plumbing shop and not the building next door?

Aaron,

Just wanted to let you know that I spoke to a new contact on the MTA properties., his name is Ken Pratt (213-922-6288). I advised him of the cut in the fence of the vacant lot and that the car dealership property had been broken in to. Mr. Pratt did also advise me that he is wanting to redo the inside of the building next to Gerson Plumbing Supply, and would like to speak to you in regards to dropping off a roll away dumpster in the rear of the building. Reason being is that is where the BID dumpster is kept.

If you have any questions let me know.

Thanks

Brian
